ADA Complementary Paratransit Service Times

Reservations can be made 7 days a week. \*Note: Paratransit Service after 9pm is restricted to routes that provide service after 9pm. The late night service area is located within 3/4 of a mile of a fixed-route bus running after 9pm. See map for late night service area. Your trip must begin and end in the late night area. Call the ADA Transit Coordinator at 352-334-2650 to see if your trip is in the late night area. If your trip is determined to be in the late night area, you must call MV Transportation the day before to make a reservation.

To Our Valued Riders

RTS has designated several seats near the front of the bus for use by the elderly and people with disabilities. It is not a requirement of the driver (nor RTS supervisors) to ensure that they remain available for those who are in need of them. We ask that our able-bodied passengers voluntarily keep these seats clear as a courtesy towards our elderly and disabled passengers.

All Routes Are Wheelchair Accessible.

The Americans with Disabilities Act (ADA) defines a "common wheelchair" as a wheelchair that does not exceed 30 inches in width and 48 inches in length (measured two inches from the ground) and does not weigh more than 600 lbs. when occupied. RTS lifts are only rated to lift 600 lbs. If the combined weight of you and your chair exceed 600 lbs., we request that you use MV Transportation. Their lifts are rated to 800 lbs. Thank you for your cooperation; this is a safety and liability issue.
